## **NEWS ANNOUNCEMENT** *For Immediate Release*

# 2500M™ MPOWER SYSTEMS & 2500M™ PLEDGEMAKER™ Expansion to 2500M™ Product Suite

**Addison, TX January 10, 2007** – Aqubanc, LLC of Buffalo Grove, exclusive distributor for 2500M™ products worldwide, will release 2500M™ MPower Systems and 2500M™ PledgeMaker™ in February 2007. Aqubanc® collaborated with two rescue missions to deliver a technically superior tool for moving Constituent and Gift Data with image access directly into MPower Systems' MPX, and, SofTrek's PledgeMaker™ Inside and PledgeMaker™ Online.

Aqubanc's Cheque 21® System images and captures all transactional Constituent and Gift Data for these two rescue missions, so they can better steward their resources. For this task, Aqubanc built the necessary 2500M™ components because of our intimately familiarity with these systems.

James Cowen, CEO of Aqubanc, explains: *"we have worked with multiple rescue missions over the past year as the prime contractor for our Cheque 21® Systems. Our clients depend on Aqubanc's ability to deliver and they've been impressed with the depth and focus we continue to offer by our singular focus on non-profits and their fund raising systems. Aqubanc had MPower Systems and SofTrek's support made our delivery of these 2500M™ product line additions significantly easier."*
