2006 KMWorld PROMISE FINALIST
Aqubanc[®] for the Cheque 21[®] System

Buffalo Grove, IL November 7, 2006 – Aqubanc, LLC of Buffalo Grove, IL, a leading provider of Check 21 and Form Processing Solutions to non-profit organizations is a 2006 KMWorld Promise Award finalist for their Check 21 solution: the Cheque 21[®] System.

Criteria for the KM Promise Award, “Many companies promise that their technology is the best knowledge management solution. One of the greatest challenges for organizations purchasing these technologies is to determine which companies will deliver on their promise. This award is given to the organization that is delivering its promise to customers by providing innovative technology solutions for implementing and integrating knowledge management practices into business processes. The award-winning organization demonstrates how it goes beyond simply delivering technology to working with clients to ensure that both the technology and knowledge processes are embedded in the work processes. In other words, it helps organizations realize positive business results.” Quote excerpted from www.KMWorld.com website.
